USCG Publishes Updated National Container Inspection Program Manual

National Container Inspection Program

COMDTINST M16616.11D

The United States Coast Guard has announced (14 March) the publication of a revised reference manual used by members of that agency's specialized container inspection teams.

The National Container Inspection Program Manual provides both Policy and Doctrine applicable to hazardous materials and container transportation laws and regulation enforced by the agency.

A link to the revised publication is provided here: [Revised NCIP Manual](#)
